

Pet Health Solutions Introduces Hylox Soft Chews Nutritional Supplement

Pet Health Solutions® introduces Hylox™ Soft Chews, a new veterinary strength nutritional supplement with health benefits for dogs. Hylox™ is recommended to support joint mobility, bone structure health, provides enhanced antioxidant protection and Omega-3 fatty acids.

Union City, CA ([PRWEB](#)) October 17, 2009 -- Pet Health Solutions® introduces Hylox™ Soft Chews, a new veterinary strength nutritional supplement with health benefits for dogs. Hylox™ is recommended to support joint mobility, bone structure health, provides enhanced antioxidant protection and Omega-3 fatty acids. Hylox™ contains Hyaluronic Acid, a powerful natural substance with joint lubricating and cushioning properties. Hyaluronic Acid directly contributes to maintaining proper joint fluid viscosity, results that may not be seen in comparable ingredients like Glucosamine or Chondroitin.

Hylox™ active ingredients include Glucosamine HCl, Methylsulfonylmethane, Creatine Monohydrate, Alpha Linolenic Acid, Turmeric, Sodium Hyaluronate, Eicosapentaenoic Acid (EPA), Docosahexaenoic Acid (DHA), Boron, Selenium, Alpha Tocopheryl Acetate (Vitamin E), and a proprietary blend of Citrus Bioflavonoids, Calcium Phosphate, Manganese Sulfate, Ascorbic Acid (Vitamin C), Zinc Sulfate, Alpha Lipoic Acid and Grapeseed Extract. Inactive ingredients include Flaxseed Oil, Hydrolyzed Vegetable Protein, Magnesium Stearate, Marine Lipid Concentrates, Natural Liver Flavor and Sucrose. Sizes are available in 60 and 120 counts per container.

In addition to Hylox™, Pet Health Solutions® also provides pet food supplements, joint supplements, vitamins, grooming products, dental products, shampoos and cleansers. These products include Joint MAX®, Vita-Tabs®, Derm Tabs®, Shed-Pro™, Ora-Cleans®, Vita-Soothe™ and others.
